Dear Danielle

Reference : Te Kauri Marae Tender

Thank you for giving Burns &amp; Ferrall the opportunity to submit our quote and your continued support.

As discussed, please find attached Equipment and Stainless Steel Schedule with installation included in price as well as brochures on Equipment quoted.

*IMPORTANT: The following quotation, once accepted, will be governed by our standard terms and conditions of sale which are set out in full on our account opening forms and on the back of our invoices. You can also request a copy of our standard terms and conditions of sale from any of our sales agents.*

**Equipment:** Is of the highest standard, please refer to Schedule.  
*(If you have purchased equipment, please specify LPG or NATURAL GAS jets required)*

**Stainless Steel:** The stainless steel used in this quote is 1.2mm Classic.

**Design:**

**Includes:**

- Plan view layout
- Services Drawings
- Consultation between B&F + Customer
- Specification sheets on All equipment

**Excludes:**  
There has been no allowance for elevation detail, but we can provide this, if required.

**Warranty:** 12 months parts and labour. Warranty is not validated until Burns & Ferrall or authorised service agent has commissioned the unit. Failure to do this could result in voiding of warranty. Warranty labour is performed during the hours of 7.30am – 4.00pm, Monday to Friday.

**0800 1<sup>st</sup> FIX****☎ 0800 178 349**Extended Warranty and Preventative Maintenance is available, please enquire from the Service Department Manager, Gerhard Nagele  
**09 633-0915** **021 736 306**

**Delivery:** To be advised.

**Service:** Service is available 24 hours, 7 days a week.  
*(Service outside normal business hours will incur additional charges)*

**Contract price:**

Equipment:	\$227,480.00
Stainless Steel:	\$Included
Delivery:	\$Included
Installation:	\$Included
Design Fee:	<u>\$ No Charge</u>
<b>TOTAL Contract price:</b>	<b><u>\$227,480.00</u></b> (excl GST)

**Payment:**

These terms & conditions of sale are binding and override clause 5.1 of the terms & conditions of sale included in the Burns & Ferrall account application form. All other conditions in clause 5 of the terms & conditions of sale included in the Burns & Ferrall account application continue in force and remain binding as between the parties  
Our terms & Conditions of payment are ;

- 1/3 Deposit on signed acceptance of order.
- 1/3 prior to commissioning of equipment
- Final payment the 20<sup>th</sup> month following delivery.

As part of the terms & conditions of sale Burns & Ferrall reserves the right to decommission all or any equipment contained within this contract if final payment is not forthcoming within the agreed terms & conditions.

**Contract price:** The contract price quoted above is valid for thirty days from the date of this letter . The contract price and all other costs exclude GST and all other applicable duties and taxes. The contract price maybe adjusted to take into account changes in costs of materials, transport, labour and currency movements.

**Contract variation orders:**

This Quotation is only valid for the precise specification as outlined in the equipment schedule and as per the customer signed off project drawings. Any variation to this contract will require a signed purchase order from the customer before Burns & Ferrall will commence work

I trust that all of the above meets with your approval and I look forward to being of service in the near future.
